

OFF THE EASEL

Painters at your next outdoor fundraiser!

The Light Chasers plein air painting group presents "Off the Easel". Light Chasers has over 500 members. We paint the Sun Coast throughout the year. Over 2000 people attended our shows in 2015. We had a Master Artist Show, Quick Draw Contest, 4th Annual Members Show, Paint Sarasota Paint Out, Quick Draw Contest, and Drawing Challenge. Our membership includes nationally famous artists. We are the largest Plein Air group in Florida and have the largest Paint Out event in Florida.

Off the Easel is the Light Chaser's charity organization. We provide your gala fundraiser with painters dressed appropriately for your gala. We will show up, hang a beautiful art show in your surroundings and paint. People can buy "Off the Easel" or from the show. We donate a percentage of all sales to your organization.

"We are always thrilled to have the Light Chasers at our special events at the Historical Society of Sarasota County, where they always draw a crowd of curious buyers! So, it was a no-brainer to invite them to come to Phillippi Estate Park to work their magic! They will be the highlight of our upcoming, first ever, Farm to Fork Dinner!"

Jane Kirschner, Immediate Past President, Historical Society of Sarasota County
